NOURISON'S SIGNATURE COLLECTION

Nourison has built a reputation for high-quality area rugs and carpets of all styles, but in creating its signature line, designers reached back to the company's roots. The Nourison 2000 Collection proudly projects the rich colors and patterns of the traditional Persian rug. The dense, luxurious pile handcrafted from pure New Zealand wool and silk accents results in a rug of unmatched durability and opulence, making it an heirloom that will add years of beauty and vintage style to your home.
